

Wednesday - 12 December 1951

1. After further discussion with Col. Edwards, I informed Mr. Arens, in connection with item No. 2 of 11 December, that the State Department official about whom he is concerned has never filed a formal application for employment in CIA, and that therefore he has not been polygraphed by CIA in that connection. I further informed him that [] is not a qualified polygraph operator.

STATINTL

2. Discussed with Dr. Chadwell, AD/OSI, the necessity for delaying the semi-annual report to the Joint Congressional Committee on Atomic Energy perhaps for as much as 30 days.

3. Also discussed with Dr. Chadwell any steps which need to be taken at this time in utilizing the amendments to the Atomic Energy Act regarding exchange of information with foreign countries.
